Tangent DAB table radio

The Tangent DAB table radio brings you the latest in DAB technology. Like its predecessors, Tangent Uno and Tangent Duo, this new radio offers outstanding high fidelity sound as well as a distinguished appearance. And don't let the good looks fool you – the classic exterior houses a top-tuned interior.

In addition to the digital broadcasts, the smooth geared and weighted tuning dial also allows you to enjoy conventional analogue AM/FM thanks to the sensitive DAB-tuner. Furthermore the radio is equipped with an easy to use alarm clock, which will get you out of the deep sleep with its warm sound, and a snooze function for when you don't want to get out of bed.

Take full advantage of DAB's superior sound with a superior sounding radio...the Tangent DAB table radio!

Tangent DAB is available in Red, Black, Oak, Walnut and White finish.
